

CARE WITHOUT COMPROMISE

# Get to know Proactive MD

We're excited to partner with the State of New Mexico in its mission to provide affordable access to comprehensive care through the new Stay Well Health Center.

## Who we are

We're committed to earning your trust and partnership.

### Our passion

"When we look at our patients, we see mothers and fathers, sons and daughters, sisters and brothers, and they are at the center of everything we do." –John Collier, Founder and CEO. Our passion is only and always our patients, and we will always fight for their greatest good.

### Our reach

We're an employer-sponsored healthcare corporation with over 300 employees. We operate 63 Health Centers in 16 states, serving over 60,000 patients.

### Our team

Our leadership has a combined 250+ years of healthcare experience, which includes 120+ years of primary care and 80+ years of onsite healthcare leadership experience.

### Our culture

We are service-driven, excellent, mindful, positive, and compassionate. Our team is unique in that it blends extensive experience in the varied areas of healthcare with innovation, passion, and energy, and we are elevating the standard of healthcare in our industry and beyond.

## What we do

We're here to support your total healthcare journey.

### Care Beyond the Walls™

Your needs don't stop when you leave the Stay Well Health Center, so our care teams don't either! You can visit us for preventive, well-being, and acute care onsite, and you'll also have access a Patient Advocate, who will help you navigate the full healthcare system. Here are just a few examples of what your care team can do:

- Care for up to 80% of your healthcare needs (acute, chronic, and preventive)
- Coordinate your specialist care and guide you through the full healthcare system
- Help identify and address social barriers to health
- Provide mental health support
- Offer wellness and health education
