

APRIL 2022

Your benefits are getting better.

Care Without Compromise is coming!

The State of New Mexico has partnered with Proactive MD to ensure that you will have the highest quality healthcare—right here at work.

Here's what you can expect.

You'll get primary care that always goes above and beyond, guiding you through your total wellness journey. Expect healthcare built on relationships, trust, and hope.

More details will follow in the coming months. We can't wait to serve you!
